

OWNER'S MAINTENANCE RECORD

Home Maintenance Checklist.

Use this checklist to record up to four quarterly maintenance inspections of your home. Tick the relevant column for each item. Always read the manufacturer's warranty and instructions to confirm specific frequency requirements.

Safety first. Most injuries occur when falling from height. Anyone carrying out this inspection at height should do so safely. For more, contact your nearest Worksafe office or worksafe.govt.nz.

Item	Inspection 1				Inspection 2				Inspection 3				Inspection 4
